HOW TO CONFIRM YOUR RESIDENCE RIGHTS STEP BY STEP

Now that the UK has left the EU, securing your residence rights in Germany might feel challenging. But not to worry - any UK national living lawfully in Germany at the end of the transition period on 31 December 2020 will be entitled under the **Withdrawal Agreement** to a residence document (“Aufenthaltsdokument-GB”). Your rights are protected under the Withdrawal Agreement as long as you have exercised your right to freedom of movement before then.

Key steps to take to confirm your rights:

- As a resident of Munich, you should now have received a letter from your local authority. Follow the instructions in the letter to fill out the registration form, and submit your registration by 30 June 2021.
