HOW TO CONFIRM YOUR RESIDENCE RIGHTS STEP BY STEP

Now that the UK has left the EU, securing your residence rights in Germany might feel challenging. But not to worry - any UK national living lawfully in Germany at the end of the transition period on 31 December 2020 will be entitled under the **Withdrawal Agreement** to a residence document (“Aufenthaltsdokument-GB”). Your rights are protected under the Withdrawal Agreement as long as you have exercised your right to freedom of movement before then.

Key steps to take to confirm your rights:

- Report your residence to your local Foreigners’ Authority (“Ausländerbehörde”) responsible for UK nationals in your area if you have not done so yet.
- Register your address with your local registration office (“Einwohnermeldeamt”) if you have not done so already.
