Classification : **MSA**

Type of Appointment : **Internship - 3 Months (full-time)**

Estimated Start Date : **01 July 2022**

Closing Date : **25 May 2022**

Established in 1951, IOM is the leading inter-governmental organization in the field of migration and works closely with governmental, intergovernmental and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

The Global Migration Data Analysis Centre (GMDAC) is part of IOM's International Cooperation and Partnership Department (ICP) and is responsible for providing migration stakeholders with a better understanding of global migration data. GMDAC is involved in a variety of tasks including knowledge management, capacity building, data collection and analysis.

GMDAC manages the Global Migration Data Portal (Portal), which serves as a unique access point to timely, comprehensive migration statistics and reliable information about global migration data. The Portal aims to help policy makers, national statistics officers, journalists and the general public navigate the increasingly complex landscape of international migration data, currently scattered across different organisations and agencies.

IOM is committed to a diverse and inclusive environment. Internal and external candidates are eligible to apply to this vacancy. For the purpose of the vacancy, internal candidates are considered as first-tier candidates.
